

## Minutes

### **Vision 2020 Sustainable Arlington**

Date: Thursday, October 20 Time: 7:30 PM Location: First Floor conference room

- Present: Charlotte Milan, Gail McCormick, Mary Gilbert, DeAnne Dupont, Steve Poltorzycki, Brucie Moulton
- Reviewed and approved September minutes
- Neighborhood Solar presentation-upcoming on Tuesday, October 25, 7:00 PM, Robbins Library Community Room
- Gas leaks campaign with MoF- 177 leaks were tagged, next steps will be developed going forward, HEET MA did a preliminary study to compare utility-mapped leaks with resident-discovered leaks, and HEET is now fundraising, will SA consider a contribution towards funding this effort? We will vote next month.
- Tool library / Library of Things with Arlington libraries- Hopes to go live in December
- New Economy Working Group - areas of interest: aging, housing, creating a map of organizations in town, Charlotte will ask Amos to repost his resource list and Brucie will check website resource access.
- Climate Adaptation Working Group – no updates
- EcoFest- meeting will convene to plan the event
- ASAP plan update - Gail suggests SA members read through plan for November. The link is available on the SA website.
- Lexplore Sustainability Fair, Oct. 29, Lexington High School – Brucie will give flyers about SA to them for the Sustainable Middlesex table

- New business: At the next meeting discuss with Steve a possible strategic exploration about how SA can capitalize on our unique position in town.
- Next Meeting: Tuesday, November 15, 7:30PM, Second Floor conference room
